## **"MAKE ME A CEO" PROGRAM**

# FAST TRACK YOUR SENIOR CAREER

**"Building on their Telstra Business Women Award recognition and ongoing successes, a group of West Australian winners got together to focus on how they might 'give back' to their local business community by providing motivation and inspiration to other business women."**

The Make Me a CEO program is a new, exciting, no-cost initiative that has been developed to help high potential women achieve and sustain higher levels of leadership within their current business environments and the community at large.

This program has been designed to assist women fast track their career development whilst providing them with the essential skills and experience to operate efficiently and effectively at a higher level.

Only 10 high potential women will be selected for this unique Program. It will provide the networks and support needed to achieve this aim.

To apply for the program, nominate a high potential woman or for more information please go to:
